Brooklyn Law School

Joan G. Wexler Dean and Professor of Law

June 1999

Dear Members of the Class of 1999:

On behalf of the faculty, administration, and staff, I want to congratulate you on your graduation from Brooklyn Law School. We know that the demands of law school have been immense, but that is precisely the same reason that you can take immense pride in your achievement.

This is, of course, a challenging time for the profession of which you are now a member. Yet, the range of functions lawyers perform has never been greater, and you will find that because you are a lawyer your power to influence the course of private lives and public affairs has never been greater. I am certain that you will be able to face these challenges with strength and grace and exercise your influence with care and responsibility because of the training that began here, at Brooklyn Law School.

Indeed, my sincerest wish is that a few years from now, when you reflect on your legal education, you will find that we did our best to instill in you a love of the law and a commitment to what is best about the profession.

Now you are members of the Brooklyn Law School alumni family--a family that spans several generations and whose members can be found in law firms, government agencies, public interest law offices, and management suites across the country and around the world. There will be many "family gatherings" in the years to come, including class reunions, symposia and social events. We look forward to seeing you at all of them.

With all best wishes.

Jan G. Wexler
